

Med-Fast Hometown Products Fundraiser

Thank you for choosing Med-Fast Pharmacy's Hometown Products fundraiser for your organization! We are a proud supporter of our community and are excited you have chosen the Med-Fast's Hometown Products for your fundraiser!

To begin your fundraising experience please download or print the following documents from our website: Sample Release Letter (if a private school), Hometown Order Form, Master Fundraiser Order Form, and Promote Hometown Products Fundraiser. All *private* schools must mail a release letter to Hometown Products using school letterhead paper.

There is a twenty-four order minimum for both hometown bears and umbrellas, but the hometown bears' outfits can vary within an order. There are five different hometown bear outfits: varsity jacket, cheerleader, hooded sweatshirt, sports outfit, and soccer outfit. There is no order limit, but order amounts above the minimum twenty-four, must be placed in increments of twelve.

Fundraising participants are encouraged to *add* a chosen retail price to the hometown order forms before printing duplicates. Suggested retail price for a hometown bear ranges from \$19.99 - \$29.99 and suggested retail price for an umbrella ranges from \$18.99 - \$24.99.

Payment must be provided when order is placed at any Med-Fast store location using the master fundraiser order form. Please be sure to include total order quantity when completing the master order form; in addition, please include school name, school mascot and school color, so designs can be customized to your school district. Med-Fast does not charge tax or shipping to fundraising participants.

After we receive your master fundraiser order form and payment, orders will be available for pick up at your nearest Med-Fast Pharmacy in only two weeks!

Med-Fast wishes you the best of luck on your fundraising endeavors, and is eager to receive your master fundraiser order form. If you have any further questions or comments please call 724-869-1307 or email fundraiser@medfast.com.
